

RESUME

GRAHAM ELPHICK

FULL STACK DEVELOPER / GRADUATE

37 Nelson St, Inglewood, Perth, Western Australia, 6052

T: 0408 937 005 // E: graham.m.elphick@gmail.com // W: <https://grahamelphick.github.io/>

EDUCATION

- | | |
|------------------|---|
| 2020-2021 | CERTIFICATE IN FULL STACK WEB DEVELOPMENT
Trilogy Education (Bootcamp)
Front-end and back-end skills gained in a short, intense period. |
| 2016-2018 | BACHELOR OF MEDIA & COMMUNICATIONS
Edith Cowan University
A major in advertising as well as some study of film, public relations and photography. |

EXPERIENCE

- | | |
|-----------------------|---|
| 2019 - Present | SELF-EMPLOYED
Consultant
I have had one-on-one interaction with clients, helping them to best utilise the technological tools at their disposal. This role has given me experience in dealing directly with clients for long periods of time and adapting to their needs. |
| 2017 - Present | READING CINEMAS
Cinema Worker
This role provided me with a great amount of customer service experience. I have gained many skills that will allow me to interact better with clients. |
| 2018 | STUDENT EDGE
Writer
I have written numerous articles, both pitched by me and to me by the editor of Student Edge. I gained experience, not only in writing for different audiences, but writing about subjects that I was initially unfamiliar with. |
| 2017 - 2018 | HERO SOCIAL MEDIA MARKETING
Intern
I strategised, wrote scripts and edited many videos during my time at Hero Social. I learned how to work under instruction whilst also using my own initiative. Additionally, I gained valuable technical skills. |
| 2003 - 2005 | EDITH COWAN UNIVERSITY
Peer to Peer Mentor
I assisted a number of students with queries regarding referencing, use of university online systems and other concerns. This role provided me with experience in dealing with a variety of clients, all with different levels of knowledge and language barriers. |

STATEMENT

After getting a taste of the communications industry through various internships and practical coursework, I am excited to become a part of it. I have a wide variety of skills and I am willing and able to learn new ones as needed.

SKILLS

JavaScript
CSS
jQuery
Node.js
Communication
Presentation
Client and employer adaptation
